Time to get dressed...

Window dressed that is!

Since the 1950s, the District of Miles has come together biannually to celebrate everything we value about living in the bush. It's a time of celebration, and a time to share how amazing our life and lifestyle is to those that will be visiting during the 11—14 September weekend.

With our branded festival and an eclectic mix of authentic interactive experiences, along with the help of a highly experienced events and tourism marketing team, this year has the markings of being our best festival yet.

Whilst there are many new events included in the festival this year, there are some traditional events that remain in our program including the Street Parade and the return of the Window/Shop Front Dressing Competition.

Theme

The 2025 festival theme is ***Our Fauna & Flora*** however keep in mind that many of our visitors will come from outside our district and region and will be expecting to see displays that highlight our Fauna and Flora.
